It's Spring Round-Up Time!

Tell your friends about AMBUCS and our local Greenebucs Chapter. Pass the word to someone who may want to join us in our mission of creating independence for people with disabilities. If you recruit just one new member and one new Friends member, you'll earn your "Mission Possible" pin. In the Greenebucs Chapter, Sue Eakle has already earned her pin. Congratulations, Sue!

Spring Round-Up ends April 30, 2003. Goal: at least 5 new members.

Unique AmTryke® program helps kids!

The AmTryke® is a unique therapeutic tricycle that can be driven by hand or foot. AmTryke® improves motor coordination increases self-esteem, and is FUN to ride. The AmTryke® program is designed to give children with disabilities their first set of “wheels.” During this past summer, AMBUCS™ ran a pilot demo program in Western Michigan. The program is called the Mobile Demo Site, and it consists of a truck and trailer staffed by a therapist and volunteers. The trailer and its team visit community events, schools, existing DemoSites and AMBUCS™ chapters to educate people about the AmTryke® Project.

National Convention in Naples, FL

The AMBUCS™ National Convention will be July 16–19 in Naples, Florida, at the Naples Beach and Golf Club. Watch for details and the official registration form in the next AMBUCS™ Magazine, or on the Web at www.ambucs.com

Open House = SUCCESS!

It was a wonderful, beautiful snowy day on February 8th, 2003. There were Amtrykes®, children, face painting, food and fun for all. Eight Amtrykes® were given away and many children were introduced and fitted to an Amtryke® for the first time. Presentations of the bikes were made and our Beaver Creek mayor (Rick Perales) stopped by as well. Several members and volunteers were in attendance we are all looking forward to the next Open House.
