GREENEBUGS

MESSAGE FROM GREENEBUCS PRESIDENT

Dear Greenebucs Members,

As the incoming “next quarter” President I would like to thank Sandy for the great job she has done for the first quarter of this year. (For those of you who are new – or have forgotten - the Presidency will be shared by 4 of us for the AM-BUCS year 2006-2007: Sandy, myself, Devlynn and Cathy.) Some of you may not know that a few of our members have resigned due to other events in their lives. That will make our upcoming membership drive even more important. The more active members we have, the less work each of us has to shoulder independently, so if you would give some thought to friends, relatives, or co-workers you think might be interested in learning more about Greenebucs, please get on their calendar early and invite them to a meeting during the membership drive. (Remember we waive the registration fee for new members and also pay for prospective members’ lunches during “drive time”.) We have some outstanding speakers coming up in the next couple of months (Ryan has done a great job in lining up speakers of “note” and well in advance of the meeting date) so the meetings should be interesting.

Also on our agenda is the goal to start a club in the Troy area. Hopefully by the time you read this an initial planning meeting will have taken place and a “chartering” meeting will have been scheduled.

The Christmas Auction planning is already underway. Pat Buckholt is this year’s “general chair”, but she will need help from EVERYONE in the club to continue the great success we achieved under Sue’s leadership last year. Please think about how you can help (sponsor a table, secure door prizes, sell tickets, bake “desserts”, do some publicity, etc.) and remember the more of us involved, the less work any one person has to do him/her self – and the more successful the event will be. This is currently the biggest fund raiser the club does – and it also provides us with the biggest “audience” for our message – providing opportunities for independence for the disabled.

Thanks to all of you for continuing to commit to enhancing peoples’ lives. Here’s to a great second quarter – and a really great year!
Gussie

STORM WITH AMBUCS

was the theme for the 2006 Mid-States Regional Conference held in Toledo, Ohio. On Saturday afternoon an AMTRYKE Rodeo was held, where 21 AMTRYKES were given away to area children.

A tryke was donated to 13 year old Melanie pictured with her family and attendees from Greene-Bucs at the conference. The tryke was donated by the Ohio Chapters of AMBUCS (www.Ohioambuc.org) through the Ohio Moose Clubs.

Andy Bordner from Findlay, Ohio-a Moose member- experienced for the first time the reaction of the children receiving their new bikes.

Bill & Pat Buckholt sponsored a toddler tryke for a local toddler in the area.
