

## Reynolds & Reynolds Sponsors AmTryke

Reynolds & Reynolds recently sponsored a family evening at a Dayton Bombers game. They sold 2500 tickets (almost 8000 people were in attendance at the game) and as an added activity they raised enough money to sponsor the donation of an AmTryke.

Costa Papista, co-owner of the Bombers Hockey Organization, suggested Greenebucs when Reynolds & Reynolds was looking for a charitable project.

In a highlight of the night, Reynolds associates helped present a specially equipped, customized bike to Nick Langer, an 11-year-old Kettering youngster with severe Cerebral Palsy. He and his family were Reynolds' special guests at the game. Reynolds associates raised money for the bicycle through a raffle at headquarters. Overall, associates raised more than \$800 for the purchase of the bike and a donation to the AmTrykes program.

Nick and his family were presented with the bike during a pre-game ceremony held rink-side. According to Nick's mom, this is his first bike and it gives him the opportunity to "ride a bike equally with his three brothers," she explained. Nick, who is a big sports fan, also got to shake hands with several of the hockey players. Nicholas, the oldest of 4 brothers, has always wanted a bike so he could ride with his brothers. Reynolds & Reynolds and Greenebucs made his wish come true!

## Thank You From Jan at R & R

Alan – Hope all is going well for you. Thanks again for all your help with obtaining a bike and recipient for Reynolds' donations to the AmTryke program. That made for a very special evening for our employee families. Speaking personally, I was glad that my kids had a chance to see how the bike give impacted Nick and his family. ~ Jan

## Presidents Column ~ Pat Buckholt

That time of the year has come. Time to think of Spring and hopefully warmer weather. Also it's time to think of our mission in Ambucs and how as a club we can accomplish that. It's our election time. I know the primary is over in Ohio but it's club election time. We need volunteers to serve on committees.

We have fun committee, friendship, membership, social newsletters, publicity, fundraising, AmBility. We can all participate in at least one of these. This is a commitment that you made when you joined Greenebucs. We need officers and members at large to serve on the board. There will be people mentoring and helping you. We have lots of people with experience who need to pass on their knowledge.

We need Vice presidents. Did you know we can have more than one? I believe Jaime would be more than willing to share all her knowledge and expertise from her years of being a treasurer. She is going to be busy soon with baby number two. She sure could use some help. The treasurer does keep the chapters financial accounting in order. Reports to the board the status of our finances, manages the bank accounts. There is still more to this but that is just the basics. Chuck could use some reporters and photographers who would e-mail him about the events that occur at meetings and socials and AmTryke giveaways. Pictures of guest speakers, etc.

How about Sgt At Arms? This person or persons gets to maintain order at the meetings. Gets to levy and collect fines, Gets to tell as many jokes and get the members in good humor at the meetings.

Vice President, This is the person that we have delegated to help find guest speakers for us. He or she needs a committee that can help do this so one person is not always responsible. We try to have a guest speaker at our 2<sup>nd</sup> Wed. meeting every month. Also this person would run the meetings when our president or Chairman of the board cannot be present.

Who is the Chairman of the board do you ask? The last immediate past president of course. Right now we have 4 of them since we didn't have just one president last year but 4.

The president is another position on the board. Runs the meetings? Has board meetings, sets agendas and lays the foundation for his team of volunteers who are all of the club members.

## Nick At The Bombers Game

## New Members Inducted Into the Chapter

President Pat Buckholt leads our five new members in the swearing in ceremony. The induction was held at the Wellington Grille.

From left to right the new members are; Wanda Stewart, Tim O'Meara, K-Ann Harry, Dave Harry, and Frank Rine.

It is great to see our Chapter continue to grow. Please make sure to include our newest members in all the events and activities we have going on. I am sure that each of them is eager to help and learn about GreeneBucs, Ambucs, and the great work that we do.

## GreeneBucs At The Greene!

If you missed our recent social at The Pub at the Greene, you missed out on a fun evening indeed.

The Pub, which is fashioned after an English Pub, has a trivia night, and our Social Committee, Louise Gibson and Sandy Zimmerman, along with help from several other members, put together a fun filled evening. There was food, door prizes, drinks, trivia and even a birthday cake!

In all we had thirty to forty members and their guests attend, and try to match trivia wits with the rest of the crowd at The Pub.
