- Performing community service

- Providing scholarships for therapists. A long-running success story, the scholarships represent the largest single private source of educational grants for therapists in America
- Veteran Cycle Program-helping our vets engage in an active lifestyle

GREENEBUCS MISSION:

Our club's mission is to provide help and support for children and adults with disabilities throughout our community.

GreeneBucs has 50 members and have a lot of fun raising money for the therapeutic AmAmTrykes and scholarships. The biggest project of the year is the Greenebucs Christmas Auction being held this year December 4th at Beavercreek Golf Course, Beavercreek, Ohio. Over the years we joined forces with other charitable groups and continue to be in the top 10 National AMBUC clubs. GreeneBucs gives away AMAMTRYKES all over Ohio.

This year we are very proud and happy that the P. Buckley Moss Society donated a print "Colors of Fall" and the Canada Goose Gallery will beautifully frame the print so that we can have a raffle with proceeds going to provide more special AmTrykes to children. These children have never enjoyed the freedoms most children take for granted until they receive their AmTrykes. All children are recommended and fitted for these AmTrykes by their physical therapist.

For more information about the Christmas Auction and raffle tickets, contact Devlynn or Gussie.
