

GREENEBUCS

Dear Veteran,

Thank you for your interest in AMBUCS Veteran Initiative Program. AMBUCS mission is creating mobility and independence for people with disabilities. AMBUCS believes veterans should have every opportunity to be engaged in active lifestyles. Greenebucs the local area chapter *loves* giving these bikes to Veterans.

When a bike is requested from a Veteran your application goes on a waiting list. When full funding is available a contact is made to make arrangements to present the bike to you. Purchase and delivery of the bikes are directly related to the funding that is secured by the group of 50 members of the Greenebucs chapter.

Greenebuc volunteers raise funds to purchase the bikes. After the funds are secured the bikes are ordered and built by volunteers-often friends of the Veteran or other Veterans.

The bikes are individually fitted to each Veteran. The bike you are receiving depending on the style range from \$500-\$1,000. Donations are tax deductible if the donation is made to Greenebucs. If you can contribute any amount to this purchase the money is applied to the next person on the waiting list.

Greenebuc motto is "Shoulders together" and the group is always looking for new members or volunteers if you have any interest in helping out. Information is available on the website at www.greenebucs.org and on Facebook (GreeneBucs Greene County Chapter of Ambucs) or you can talk to a member.

Donations can be made payable to Greenebucs via check and sent to the following address:
