

## The Ambucs Way (revised)

I met a group of people  
As I passed through life today  
They stopped to help a small child  
Get an Amtryke along the way  
They didn't ask for money  
They didn't ask for any pay  
That's not the way we do it  
That's not the Ambucs Way

### Chorus

Well the Ambucs Way is the way to go  
If you want to feel good inside  
With Americanism and Brotherhood  
And whole lot of pride  
With Shoulders Together  
We live it day by day  
With Shoulders Together  
That's the Ambucs Way

### 2nd Verse

Well, I followed them to a meeting room  
Where I heard their leader say  
We'll salute the flag of America  
And bow our heads and pray  
We got to raise some money  
We got help some kids today  
We'll do our best to help our Vets  
Cause that's the Ambucs Way

They went to a rehab center  
There were a lot of people there  
Some leaned on their walkers  
Some were in wheelchairs  
Thanks to all their therapists  
Came rolling off their lips  
Some got their education  
With Ambucs Scholarships

### Chorus (repeat)

Well the Ambucs Way is the way to go  
If you want to feel good inside  
With Americanism and Brotherhood  
And whole lot of pride  
With Shoulders Together  
We live it day by day  
With Shoulders Together  
That's the Ambucs Way

### 3rd Verse

Now if you're walking through this life  
With an empty spot inside  
Join up with an Ambucs Club  
Cause, you'll enjoy the ride  
We work a lot , and laugh a lot  
Then we always say  
With Shoulders Together  
That's the Ambucs Way

### Chorus

Well the Ambucs Way is the way to go  
If you want to feel good inside  
With Americanism and Brotherhood And whole lot of  
pride  
With Shoulders Together  
We live it day by day  
With Shoulders Together  
That's the Ambucs Way

**WITH SHOULDERS TOGETHER  
THAT'S THE AMBUCS WAYYYYYY!**
